- Length : 50mm ...800mm
- Insert Thickness : 0.3mm
- Main Color : White, Blue
- Weight : 47g
- Package Content : 20Pcs x Flexible Flat Cable

### Product Highlights

The FFC usually refers to the extremely thin flat cable often found in high density electronic applications like laptops and cell phones. Apply to digital cameras, digital camcorders, laptops, LCD TVs, LCD monitors, etc. The each end cable is reinforced with a stiffener to make insertion easier or to provide strain relief
