

Female 2.1x5.5mm DC Power Plug Socket Panel/Chassis Mount Soldering

Product Details

Place of Origin: Zhejiang, China

Brand Name: JSH

Model Number: DC-017

Rated Current: 3A

Type: Electrical Plug

Rated Voltage: 30V

Application: Industrial

center pin: 2.1mm or 2.5mm OR 1.3MM

Male plug: 5.5mm*2.1mm/2.5mm

Hardware material: copper

Rating: DC 50V 3A

Color: black

DC POWER JACK PANEL MOUNT 2.1MM/2.5MM DC JACK WITH METAL NUT and plastic waterproof cover

pcb DC JACK WITH METAL NUT.

Centre pin can be 2.1mm or 2.5mm.

addition ,the male plug is 2.5mm/2.1mm*5.5mm

rated load	DC 30V 0.5A
Contact Resistance	<0.03 Ω
Insulation Voltage	>100m Ω
Withstand voltage	AC 500V (50HZ)1min
operating Life	5000 cycles
Insertion and extration force	3-20N
Working tempereture range	-

- **Application**

They are widely used in household appliances, electric force, telecommunications, machine tool, vessel, textile, printing, Mining machine, Mustic Instrument, etc.
