

Locomotive lighting tube LPD-7YG-C, LPD-10YG, LPD-12YG, LPD0305G, LPD0912R

Category: Light-emitting diode

Search keywords: locomotive lighting tube LPD-7YG-C, LPD-10YG, LPD-12YG, LPD0305G, LPD0912R

Information introduction: Locomotive lighting tube LPD-7YG-C, LPD-10YG, LPD-12YG, LPD0305G, LPD0912R

details:

"Motorcycle luminous tube LPD-7YG-C, LPD-10YG, LPD-12YG, LPD0305G, LPD0912R" parameter description

Is there a spot:	Yes	Certification:	CCC
Brand:	Bai Rui	kind:	Ordinary monochrome light-emitting diode
Luminous color:	warm white	light intensity:	Standard type
Package form:	Resin package	shape:	rectangle
material:	Compound semiconductor	Application circuit:	DC drive
Luminous tube luminous color:	Colored transparent	Luminous tube light surface features:	Square light
application:	Instrument and other equipment	model:	LPD-1210R
specification:	standard	trademark:	standard
package:	Details	Yield:
