[History of the company Akira](#)

AKIRA - Singapore 32MX300

AKIRA was registered as a brand in 1994 by the Japanese company Akihabara Electric Corporation Ltd, Japan. However, in just a few years, in 1999, the research and production lines of AKIRA grew into a world-famous transnational corporation! AKIRA owes its powerful start to the aggressive marketing policy carried out by the specialists of TT International Ltd., later finally formed as AKIRA International Pte Ltd. The talented Singapore team managed to make so that household appliances developed, manufactured and tested in Japan, England, Italy, Singapore and many others countries, embodies the best achievements in the field of electronics, ecology and design. Therefore, AKIRA has won the title of the best Singapore brand for the second year in a row, and the company's products are highly valued in more than 60 countries!
