

## MOTOROLA 908 PROGRAMMER

[Reset Programmers>> Chip Programmer](#)

# Introduction for Motorola 908 Programmer

In-Circuit EEPROM programming (MON08 Rev1 adaptor must be used). Ultra high-speed On-Board FLASH/EEPROM programming. 2x2 color LEDs indicates mode of operation, power supply status

# Descriptions for Motorola 908 Programmer

## Features

In-Circuit EEPROM programming (MON08 Rev1 adaptor must be used).

Ultra high-speed On-Board FLASH/EEPROM programming.

2x2 color LEDs indicates mode of operation, power supply status
