- Optional: Internet access (for moeller.net)

## Installation instructions

"Moeller Main Catalogues 2001 GB-INT" is now a self-starting CD-ROM with auto insert notification.

If you encounter any problems, please contact the Catalogue Hotline.

## Copy the PDF catalogues to your hard disk (maximum requirement approx. 300 MB)

If you wish to start the PDF catalogues from the hard disk (without CD-ROM), proceed as follows:

- Create a new folder "MoellerCat" (e.g. c:\MoellerCat) with Explorer.

- Copy the files "Zkat.exe, readme.rtf" and the folder "PDF" from the CD-ROM to the new folder.
- Double-click the "Zkat.exe" file in the new folder and start the program.  
This enables all the PDF catalogues to be used without having to insert the CD-ROM.

### **Installation of additional programs**

Click the required program in the "Additional Programs" menu (green dot) to start the appropriate installation routine.

Alternatively, via Explorer double-click the appropriate SETUP.EXE file to install the required additional programs to your hard disk.

### **Your comments are important to us**
