

Magnifying Glass LED Light with Clip, Magnifier with Light with 3 x 10 Lenses and USB Charging, Adjustable Brightness Magnifier for Sewing, Reading, Printing, Repairing, Carving

About this item

- **✓ USB PORT DESIGN:** Powered by a USB charger, USB power bank or laptop, making it convenient when you want to use.
- **✓ DIMMABLE BRIGHTNESS & TWO DIFFERENT AMPLIMENTS:** Adjustable LED lighting angle with 26 high brightness LED light sources, without affecting the irradiation point. Adjustable brightness and 2 lenses with different magnification: 3x / 10x to meet your different needs in various occasions.
- **✓ EYE PROTECTION:** White color, no flicker and anti-glare, no strobe and no radiation, help to avoid fatigue.

- ✓ THERMAL DESIGN - Equipped with a non-slip fabric, you will feel comfortable without worrying about falling and has a suspension hole in the base for tightening or hanging (hook and nail are not included). Dust plug design.
- ✓ CLAMP DESIGN & FULLY DIMMABLE: The 3" clip range makes it effective and the strong angled tube allows you to rotate the lamp flexibly and adjust the light position as needed. Great magnifying tool for printing, machinery, sculpture, gardening, jewelry identification, coin and stamp collection, etc.
