

Small Aluminum Heat Sink 28*28*7mm PCB Heat Sink with Thermal Pad

Product Description

Model NO.	HS-D007
Temper	T3-T8
Surface Finishing	Anodic Oxidation
Certification	ISO, RoHS, Ts16949
Transport Package	Standard Export Package
Origin	Guangdong, China (Mainland)
Production Capacity	80000pieces/Month

Grade	6000 Series
Alloy	Alloy
Alloying Ingredient	6063
Color	Black
Trademark	Coolwhist
HS Code	8473309000

Product Description

- 1. Type: aluminum extrusion products
- 2. Dimensions can be customized
- 3. Material: AL6063
- 4. Surface treatment: anodizing
- 5. Application: Medical / Communication / Automotive Electronics equipment, Home Appliances...
- 6. RoHS Directive-compliant
- 7. ISO 9001: 2008 & TS16949 management system
- 8. High-Tech Enterprise
- 9. Inspection machines CMM, projector to assure the quality requirements
- 10. Thermal simulation and prototyping services
- 11. OEM/ODM orders are welcome
