HDMI Cables

Product Description

The HDMI male to HDMI male cable from our trusted and reliable own brand RS PRO provides a high definition, high speed connection from a device such as a laptop, to a digital display monitor/screen without the need for an adapter. The RS PRO HDMI to HDMI cable has the capability to carry HD images, providing you with excellent image quality from any device. Furthermore, the durable cable is also capable of carrying high quality audio making it the ideal all in one cable for your digital entertainment needs. If you require an internet connection to be carried from device to screen, the RS PRO HDMI to HDMI cable is ideal due to its ethernet capabilities.
