Information Note Replacement of EPCOS Brand on TDK Electronics Products

About 17 years after the merger of TDK and EPCOS, we have decided to discontinue the use of the EPCOS brand for passive components and sensors and to change the marking of products that still use the EPCOS brand. These changes apply to all EPCOS marked products except those that are to be phased out.

Depending on product size and technical requirements, the following branding/markings apply:

Marking Description	Branding	Products
Large products: Original TDK brand	 	  
Smaller products: TDK logotype	 	  
Smaller products (alternative): Letters TDK in Arial font	  	  
Specific products or requirements: Only technical data	No brand	  
Very small products: No marking	No brand	  

The implementation of all changes will start in April 2026. During a transition period, products can be delivered with the current EPCOS marking or the new TDK marking. Goods in stock will continue to be delivered with the unchanged EPCOS marking.
