

PORTABLE TOOLS CASE ALUMINUM

About this item

- Two changeable combination locks
- Lined interior and with pockets
- Aluminum exterior
- Dimensions (LxWxH): 42cm x 29cm x 7.5cm
- Multiple Size Options: 16-inch briefcase (Internal: 11.4" x 15.7" x 4.7"): Fits standard letter-sized paper (8.5" x 11"), legal documents (8.5" x 14"), legal contracts, certificates, and more. Ideal for office organization or keeping important documents at home
- Dual Combination Locks: LOCKCURX storage box with lock features enhanced security with two separate 3-digit combination locks. No keys are required, ensuring peace of mind and easy, keyless access for authorized users
- Durable & Scratch-Resistant: The locking file box is constructed from tough, scratch-resistant aluminum alloy for long-lasting use. The sturdy hinge construction ensures your box stands up to daily wear and tear
- Waterproof & Secure: The storage file boxes are waterproof to protect your contents from spills, moisture, and rain, but they are not designed for prolonged storage in damp or humid environments
- Portable & Easy to Carry: Designed with portability in mind, this briefcase-style box features a ergonomic handle for easy carrying, ideal for outdoor use and emergencies
