

# More than a headset, a workplace evolution

Evolve 30 is a professional headset designed to help you focus and improve your conversations.

## Stay connected, using either USB or jack

Connect to your PC via USB or use the 3.5 mm jack for connectivity to your personal device - such as a smartphone or tablet - to work or listen to music wherever you may be.

## Easy call management

In-line call controller with large buttons and LED indicators, making handling of calls and music easy. Pick up or end calls, control volume, or simply mute the line.

## Plug-and-play setup

Works out of the box with all leading Unified Communications platforms. Installation is as easy as simply plugging it in.

Works with softphone,  
tablet and smartphone
