SC Size 3000mAh NiMH Rechargeable Battery with Paper Card Packaging

Weijiang provides high-quality 3000mAh SC-size NiMH rechargeable batteries at a competitive price. We have more than 12 years of experience in rechargeable NiMH battery manufacturing and sales. The SC-size NiMH battery is long-lasting for digital electronics and perfect for use in toys, clocks, flashlights and portable radios.

★Leading SC-size NiMH battery manufacturers in China

★FCC, RoHS and CE-certified SC-size NiMH batteries

★Produce large quantities of SC-size NiMH batteries

and efficiently

★Offer competitive prices for high-quality SC-size NiMH battery

High drain applications - Up to 30 Amp of high current drain,

vacuum cleaners, cordless drill, emergency lights, portable survival devices, and more.

Description

Technology Advantages Make a Real Difference to Our SC Size NiMH Batteries

We provide OEM & ODM services for SC NiMH batteries at competitive prices. Weijiang Power has invested in advanced technology to improve Ni-MH battery performance and efficiency, such as hydrogen storage alloy technology and electrolyte technology. This innovation in the manufacturing process allows our factory to produce SC Ni-MH batteries with longer lifespans, faster charging times, and better energy density.

We look forward to working with you to meet your energy needs.

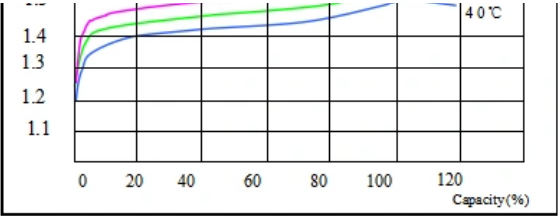

deliver reliable and consistent power for high-drain devices such as power tools, RC cars, and robotics. With a nominal voltage of 1.2V and a high discharge rate, this Sub-C cell ensures optimal performance and longevity. The battery comes in eco-friendly paper card packaging, aligning with sustainable practices while providing secure storage. Engineered for durability, it supports numerous charge-discharge cycles, making it a cost-effective and environmentally conscious choice for various applications.

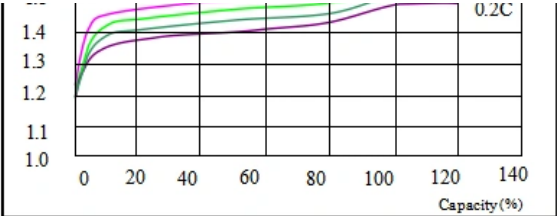

Key Features of 2800mAh SC Size Ni-MH Rechargeable Battery:

- Reusable, cost-effective, low self-discharge battery
- More environmentally friendly than traditional NiCad battery
- Long cycle life of over 1000 times
- CE certification, RoHS and REACH compliance
- MSDS report is available for shipping
- Free sample available

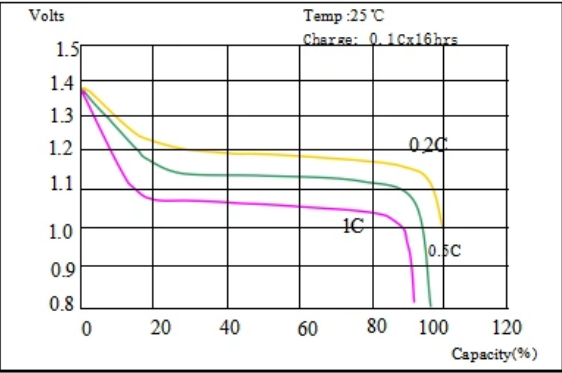

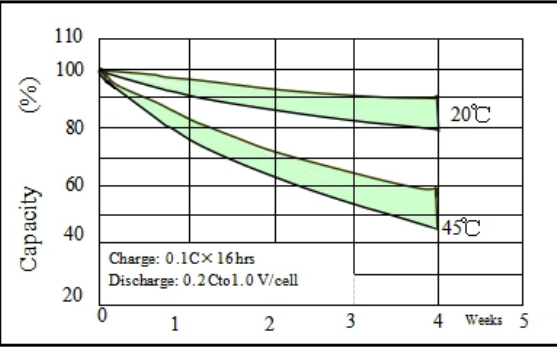

Charging Curves of 3000mAh SC Ni-MH Battery-1.0C

Charging Curves of 3000mAh SC Ni-MH Battery-0.1C/0.2C/0.5C/1.0C

Discharging Curves of 3000mAh SC Ni-MH Battery-0.2C/0.5C/1C

Storage & self discharge Curves of 3000mAh SC Ni-MH Battery

Weijiang Power is an attractive option for businesses seeking high-quality batteries at affordable prices. Weijiang Power offers NiMH batteries in all sizes, including the AA NiMH battery, AAA NiMH battery, C NiMH battery, D NiMH battery, 9 V NiMH battery, and custom NiMH battery packs. Weijiang Power has invested in advanced technology to improve AAA NiMH battery performance and efficiency, producing NiMH batteries with longer lifespans, faster charging times, and better energy density.
